

CUP 'N CRISP PEPPERONI

CHOOSE CUP 'N CHAR OR  
CUP 'N CRISP PERFORMANCE.

When you want to serve up a traditionally authentic pizza with pepperoni that hold a delicious splash of spicy oil, our **Cup 'N Char** and **Cup 'N Crisp** options are ideal.

# GO MARGHERITA!

Crafted with passion, using the highest standards and traditional techniques, Margherita Cup 'N Char and Cup 'N Crisp pepperoni offers amazing flavor your guests are sure to savor. In contrast to pepperoni that is formulated to lay flat, their natural casings are perfectly designed to curl up while the residual sugars in the recipe contribute to that irresistible crisping and charring effect on the edges when cooked, creating authentically delicious pizzas.
