Preparation and Cooking

Place the ham slices into the oil, cooking on each side for about three minutes. Continue cooking until it turns brown and is slightly crispy, then remove from the pan.

Serving Suggestions

Make a giant dagwood sandwich or a pressed panini. This lunchmeat is also great served alone on a deli tray.

Product Features and Benefits

Our hams are slow-smoked for a minimum of 5 hours using real hickory chips to ensure a rich mahogany color and deep aroma. That smoking process, coupled with our signature cure and pure honey flavor, creates an unforgettable ham.

Packaging and Storage

Store and use per package instructions.
