Beer Sticky Ribs

NOW YOU CAN SKIP THE PIT WHILE STILL ADDING THE HEAT.

Give a sweet kick to BBQ and global flavors with the fusion of Smithfield® Smoke'NFast® and Mike's Hot Honey®. Sweet and spicy combinations are in high demand, and this "swicy" addition to tender and delicious proteins amplifies the flavor, meets popular demand and lets you create enticing LTOs. All making your sales just as sweet and hot.

- **Bold and dynamic flavor combinations** are highly popular
- Both brands **eliminate the need** for extensive prep time
- Minimal handling necessary, **reducing labor costs**
- Both brands deliver **high-quality flavor and consistency**
- Both brands lend well to globally inspired flavor creations, letting chefs **innovate with ease**
- Complex flavor profiles are associated with premium offerings, **justifying higher menu prices**

ABOUT SMOKE'NFAST

Smoke'NFast products include fully cooked or hardwood-smoked proteins, such as ribs, pulled pork, pulled chicken, brisket and our innovative KC Wild Wings. They also include global flavors such as barbacoa and carnitas, authentically slow-cooked to perfection. They're all so delicious your guests will never know they weren't smoked right in your own kitchen.
