All Farmland Bacon is made fresh from Farmland pork bellies, cured with a special Farmland cure and hardwood-smoked for true bacon flavor. Farmland then grades and sorts the bacon into three value levels – Gold Medal, Silver Medal and Bronze Medal.

- Made from smaller, leaner bellies
- Center cut
- Extra-trimmed for leaner bacon
- Farmland's finest quality bacon for the most discerning customers
- Also available as USDA-certified single-sliced bacon, great for wrapping pork tenderloins or filets, poultry or beef

SILVER MEDAL

- Farmland's most popular bacon
- Traditional, top-quality bacon
- Trimmed and graded to Farmland's high specifications for leanness, quality and consistency
- Uniform slices
- Wide variety of slice counts for easy applications
